Who we are

Founded in 1966, the Global Group of Companies is now one of the largest manufacturers and marketers of office furniture in the world, covering North America and much of Europe and the Middle East. Manufacturing encompasses seating, desking, meeting, training and boardroom tables, metal filing, storage and panel systems in a range of styles and price points to reach all key market segments. In addition, we have extensive products for healthcare, education and government.

The Global Group includes more than 40 just-in-time manufacturing and product assembly plants, plus offices, showrooms, and marketing and distribution facilities throughout the world. Altogether the Global Group employs more than 3,500 people, occupies over 4 million square feet of manufacturing space, and sends more than 200,000 units to market each week.

At the heart of Global is the desire to bring to market innovative, technologically advanced, affordable products that meet the needs of our customers. Today, more than ever, this commitment is continuously demonstrated in the multitude of products Global manufactures.
